

## PRODUCER CERTIFICATE

---

**Product: Cross Line Laser**

---

**Article No: DW088, DW088CG, DW088LG, DW088LR, DCE088G, DCE088R**

---

The DeWALT Industrial Tool Company hereby certifies that the product has been manufactured and tested in compliance with the company specifications and technical characteristics as stated in the user manual. The product is subjected to all the necessary testing and inspections during its production with equipment that is traceable to national standards or to recognized procedures. A quality management program, which is regularly audited to ISO 9001 by an independent national accredited firm, ensures the product meets the approved quality standards.

Vice President of Engineering  
John Murray

Compliance Manager  
Simon Aman

400 Executive Blvd, South  
Southington, CT 06489 USA

The DeWALT Industrial Tool company recommends that the accuracy of the product be checked upon first use, and then periodically thereafter, to ensure that the calibrated specifications have been maintained through shipping and/or handling of the product.
